Mathematics Professional Development for Teachers

On Wednesday and Friday of this week Wembley Primary School is hosting a professional learning program for teachers from Wembley Primary School and several neighbouring schools. The program is being offered through the Australian Mathematics and Science Institute of the University of Melbourne. Children and teachers will have the opportunity of participating in, viewing and discussing numeracy sessions taken by highly skilled and experienced teachers of mathematics.

The topics to be covered during the sessions include fractions, decimals, angles and symmetry and patterns and algebra, which are the teaching and learning focus areas for this term. The children will be involved in a modelled lesson with a visiting teacher and this will be followed with a professional discussion with the teachers. This program is funded by Boeing and we are fortunate at Wembley Primary School to be a part of the program this year.

Year 1 Excursion to CERES

Today the Year 1 students have headed off to CERES Environmental Park in Brunswick to participate in a variety of cultural activities that will complement their Term 4 concept. We look forward to some interesting reports about their adventures in next week's newsletter.

Cottage By the Sea, Queenscliff- Year 2 Camp

Excitement is mounting in the Year 2 area as students and teachers prepare for their camp, which departs next week. Parents have had all the information over the past term, however, if you have any queries please contact your child's teacher or the office to clarify any questions you may have concerning the camp. Years 2A & 2B head off on Wednesday morning and Years 2C & 2D depart on Thursday morning.

We are all hoping for good weather to take advantage of the outdoor activities that Queenscliff is famous for.

Melbourne Cup Day Holiday

Parents are reminded that Tuesday of next week is a public holiday. The school will be open on Monday for all classes as normal. Some parents have notified their child's teacher that their families will be taking an extended long weekend.

Report Writing Weeks

Over the coming two weeks all teachers will be involved in student assessment and reporting in preparation for the Semester 2 Student Reports. These reports will be sent home to parents at the end of the year.

2014 Planning-Class Placements

Thank you to all of the parents who have notified their child's class teacher or the office that they will not be returning to Wembley Primary School in 2014. This will assist us greatly in the process of forming new classes for 2014. As we prepare to allocate children to their 2014

classes, parents may have specific requests regarding their child's individual educational needs for the coming year, however, this does not extend to requests for a particular teacher. Any specific parent requests for class placement must be made in writing and sent to Terry Lawless by November 8.

Thank you from Prep B

Prep B would like to thank Kellie Anthony for her generosity when sewing some chair bags back to life. It was very much appreciated by the students and Miss Hedley.

GREASE, THE MUSICAL

A booking has been made for Wembley families for the coming season of Grease, which will open at Her Majesty's Theatre on January 2. A limited number of seats have been booked for Thursday 20 February 2014 at 8pm. A special school group price of \$75 has been secured and payment is required by the first week in December. If you are interested in booking some tickets please let Rosie in the office know. Tickets to the No1 Party Musical, Grease, would make a wonderful surprise Christmas gift!

Religious Education Program - St Augustine's Catholic Parish, Yarraville

Commencing 11 February 2014 for children from grades 2 to 6. Families wishing their children to prepare for the Sacraments of Reconciliation, Eucharist, and Confirmation please contact the Parish Office for enrolment Form and further details. Tel: 9314 7710 Email: Yarraville@cam.org.au

Investigating LOTE

A message to families that the leadership team is investigating the option of offering a LOTE Program at Wembley Primary School, in years to come. Currently our Specialist programs offered include Visual Arts, Performing Arts and Physical Education and we are hoping to broaden the scope of our programs, by offering a LOTE program.

PROSPECTIVE VIOLIN INSTRUMENTAL LESSONS FOR 2014

Dear Parents and Wembley Community
I am hoping to gauge if there are any students interested in learning to play the violin in 2014?
If you have an expression of interest please contact me via the email below.
If we have enough interest, I will be looking to employ a violin teacher to start in 2014.

Thank you,
Simon Nolan

- **Dollarmites moneyboxes will no longer be available in 2014.** The Commonwealth Bank has removed the rule of only one moneybox per student per year for 2013. A student can redeem more than one moneybox this year if they have saved 10 tokens.
- In 2014 the Commonwealth Bank will be introducing **two new** reward items for the students to choose from **each term**. Each reward will remain available for two terms (except Term 4, where they will only be available for the 1 term). These new items offer students a wider selection of items to redeem from.

MEDIA RELEASE

FOR IMMEDIATE RELEASE - 28/10/2013

Williamstown Musical Theatre Company Inc is proud to present URINETOWN - The Musical running from the 8th to 23rd November 2013.

Winner of 2 Tony Awards for Best Book and Best Score and drawing from *West Side Story*, *CHICAGO*, and *Les Misérables* among others, URINETOWN is an inventive parody of, and loving tribute to, musicals in general and is filled with edgy melodies and exuberant musical numbers.

A highly satirical, tongue-in-cheek tale of big-city greed, corruption and romance on the wrong side of the law, URINETOWN creates a cheerfully dystopian vision of a future in which water is in short supply, private toilets are banned and a corporation has a monopoly on the public amenities. In this user-pays world, two young people meet and fall in love: Hope, the optimistically naive daughter of water magnate Caldwell B. Cladwell, and the revolutionary Bobby Strong, who inspires the disaffected populace with his forthright conviction that no one ought to be forced to pee at someone else's convenience. The character of Bobby Strong was included on New York Theatre Monthly's list of "The 100 Greatest Roles in Musical Theatre".

Director Anna Marinelli said "Lovers of musical theatre will recognise the writers' clever comparisons with other musicals like *"Les Misérables"*, *"West Side Story"* and *"Fiddler on the Roof"*, amongst others. Those not familiar with musical theatre and attendance is purely because of intrigue of the title of the show - we hope you will be entertained by the tongue-in-cheek humour and sometimes cynical view of a future where water is worth its weight in gold."

For over 60 years Williamstown Musical Theatre Company has been perfecting its craft and providing high quality entertainment for both the Hobsons Bay Community, as well as Melbourne's theatre going audiences.

Known as one of the leaders in Victorian Community theatre, WMTc has again produced a theatrical feast with URINETOWN - The Musical and is another show not to be missed!

URINETOWN - The Musical opens for a limited season on **Friday 8th November** and plays until **Saturday 23rd November** at the *Williamstown Mechanics Institute* (Corner of Melbourne Road & Electra Street, Williamstown). Tickets are available online by visiting WMTc's website www.wmtc.org.au or by calling 1300 881 545.
