## From the Principals

### Prep-Year 2 Musical Soiree

All Prep, Year 1 and Year 2 classes performed for their parents and grandparents last Friday afternoon. The children sang beautifully and entertained their audience with songs and actions that they have learnt this year. Thank you to all of the parents who were able to come along and watch the performance. There was a happy buzz in the gym and the children all enjoyed being able to perform some of their favourite songs.

This Friday (September 11) the students in Years 3 & 4 and the School Choir will be performing for their parents in the gym at 2.15-3.15pm.

Thanks are expressed to Gina Tan, Music Teacher for her work in preparing the students for their performances.

### Musica Viva-Shrewd Brass

The students were introduced to members of the brass family this week with an exciting and interactive performance from a group of musicians from Musica Viva. This was one of the groups of visiting musical performances that the children at Wembley have been fortunate enough to experience this term.

### SPELD-Dyslexia Presentation

Many parents joined with the teachers this afternoon for a presentation by Claire Carmody, CEO SPELD. Claire's presentation was informative and engaging and outlined the various supports that are available for students with specific learning difficulties and dyslexia, through SPELD. If you require any additional information on Claire's presentation or contact numbers for SPELD please contact Annmaree Jones or Cathy Harrison at school.

This week is the first ever National eSmart Week. This initiative, developed by The Alannah and Madeline Foundation, will run between 7 and 11 September, and its aim is to tackle the issue of cyberbullying, promote digital literacy, and address the alarming statistic that one in five young Australians suffer from cyberbullying. The internet is a wonderful way for people to learn, create and stay connected, however, we must all be aware of the dangers also.

Wembley Primary School is in the process of attaining our eSmart accreditation. Our Cybersafety Curriculum is designed to increase digital literacy, resilience and the safety of our students, leading to more positive experiences for all.

Teachers will continue to deliver the Cybersafety Curriculum across the school, but we also ask that parents speak with their children about staying safe online.

Resources for parents can be found at:

### **Woolworths Earn & Learn Program**

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We're now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Remember to check your handbag, the car glove box or they maybe stuck on the fridge. Every little bit helps. Thanks again for all your support!

# FAMILY FUN DAY PREPARATIONS

1B, 1A, 3C, Prep A parents – and anyone else interested in donating

## GLAMOUR TENT

PLEASE HELP!!

Families of 1B, 1A, 3C and Prep A are involved in delivering a better than ever Glamour tent for the family fun day. We will be painting nails, styling and colouring hair, tattooing and having fun with a photo booth.

It is time we got a little organized for the family fun day on the 14<sup>th</sup> of November.

We need a little help from all you beautiful people to get things going.

### DONATIONS REQUIRED

#### What we are after...

- 1 Firstly ensure you have an hour or two to assist on the 14<sup>th</sup>** (formal roster to be completed later). Volunteer your time on the day! – this is for 1B/1A/3C/Prep A families only
- 2 Photo booth?** Any one know anyone that can donate or get us access to a very cheap official photo booth for the day? Otherwise we will set up an ipad driven one ourselves
- 3 Nail polishes or nail stickers/art** – we would love your donations. Anything in a nice colour, or sparkle. New or used. Please note it can be a used colour/s from your cupboard, but please ensure it still works/flows nicely/has a good brush/appears hygienic.
- 4 Hair products** – a can of really good hair spray, **coloured or glitter hair spray**, hair ties – especially the coloured spray pretty please. It can be a used product, however please ensure it is hygienic, still works and there is plenty left.
- 5 Money donations** – particularly if you feel that you are unable to contribute on the 14<sup>th</sup> or unable to buy or donate the above, we would really appreciate any monetary donations to contribute towards the cost of supplying the stall. As well as supplying any gaps in the products above and the tattoo products, we will be purchasing equipment (printers, paper, ink and apps for the ipads etc) for our photo booth. Again this is for 1B/1A/3C/Prep A families only

**Donations will be given a receipt from the school and may be tax deductible.**

**Items 1 and 5 are purely a request for families in the allocated classes, but requests 2-4 can be anyone who has desire to help out. The more you give, the better our stall will be and it's potential to make money for the school! Coloured or glittered hair spray is what we would ideally love the most of!!!!!! As that will be highly desired by the kiddies – as well as any form of nail stickers/nail art**

#### Where to donate...

We have set up a donations box near the office clearly marked for the Glamour tent.

Monetary donations can be made at the office using the slip below – or using a clearly marked envelope Family fun day – Glamour tent.

**THANK YOU** so much for your assistance! Any queries can be directed to

## **PLAYERS WANTED!!**

**Under 10 Boys – Born 2008**

**(who are currently in Grade 2 in 2015)**

The summer season 2015/16 for Altona (ABBA) starts in October and we have interest in a BOYS U10 bottom age team (boys born in 2008).

Basketball is a great way for kids to get active and have fun. It is a fast moving game that involves a lot of variety, including shooting, dribbling, passing, rebounding, defence and much more. The time commitment is fairly minimal – one training session a week (approx 45 mins at Wembley Primary School in Yarraville) and one game (approx 50 minutes) at Altona Sports Centre, Altona Meadows.

If you are interested and would like further information, please visit the Wembley Basketball Club website or contact the Club Registrar (Tina) via email.

**WHAT HAPPENS AT THE  
SUPER HERO ACADEMY?**

The trainers will help kids try out Super Hero activities like flying on the aerial ring, juggling, trampolining and more. They'll help them find their inner strengths like bravery, patience, confidence, kindness, leadership, humour, courage, hope and honesty - just to name a few!

Kids will explore new experiences and develop physical, personal and social skills in a professionally facilitated safe space. The Super Hero Academy is not about being the strongest or fastest, it's about kids finding the Super Hero within.
