**Subject:** English  
**Year Level:** 1

**Team Members:**  
Vanessa Brown, Anne-Marie Sterjovski, Georgia Dandolo, Michelle Metcalf, Isabella Clemmens, Kim Cleghorn

#### READING & VIEWING

#### Essential Learning Decoding & MSV

I know the relationship between sounds and letters and I can use each of the 'Good Readers' skills to solve new words.

**Learning Target:**

- Blends
- CVC
- Syllables
- Vowels

#### Prerequisite Skills

What prior knowledge, skills and/or vocabulary are needed for a student to access this essential learning? (consult preceding Year Level's YELPs and Achievement Standard)

#### Essential Learning (Rigor)

What knowledge, skills and/or vocabulary are needed for a student to master this essential learning?  
Have we maintained the intent/integrity of the achievement standard?  
What does proficient student work look like?.

#### Application \*keep minimal

How can the students now apply their learning? Consider estimations, projects, problem solving etc & higher level reasoning.

#### Extension

What can proficient students now work on from the above year level to extend their learning and ensure they are engaged? (Consult the above Year Level's YELP and Achievement Standards.)

**AS:**  
use knowledge of the relationships between sounds and letters, high-frequency words, sentence-boundary punctuation and directionality to make meaning.

**CD:**  
- Understand that a letter can represent more than one sound, and that a syllable must contain a vowel sound  
- Recognise short vowels, common long vowels and consonant digraphs, and consonant blends  
- Understand that a letter can represent more than one sound, and that a syllable must contain a vowel sound  
- Explore differences in words that represent people, places and things (nouns, including pronouns), happenings and states (verbs), qualities (adjectives) and details such as when, where and how (adverbs)

I can name all 26 letters, both upper and lower case.

I can identify the most common sound that each letter makes

I can read CVC words: c-a-t, d-o-g

I can recall 2 or more decoding strategies to solve new words e.g. Picture clues, get your mouth ready

**Supportive Vocabulary:**

Using an 'at level' text I can:

- self correct if my reading doesn't look right, sound right or make sense.
- select the most effective strategies to read an unknown word.
- read blends by putting two letters together to make one sound
- Read the first 200 Oxford High Frequency words within a text, without decoding strategies.

**Guaranteed Vocabulary:**

I can reread when a word doesn't look right, sound right or make sense independently.

I can explain which decoding strategies I use to solve new and unfamiliar words.

I can use my knowledge of letter sound combinations to decode unknown words (EG. 'igh' as in light).

**AS:**  
recognise all Standard Australian English phonemes, and most letter-sound matches

**CD:**  
Read familiar and some unfamiliar texts with phrasing and fluency by combining phonics, semantic, contextual and grammatical knowledge using text processing strategies, including monitoring meaning, predicting, rereading and self-correcting
